**Re: Bobryk, et al. v. Durand Glass Manufacturing Co. Inc.,
et al.
Civil No. 12-5360 (NLH/JS)**

Dear Counsel:

This letter confirms the Court's rulings at the July 12, 2013 conference. To the extent of an inconsistency, the transcript controls:

1. Defendant is granted leave to depose the three (3) opt-in plaintiffs.
2. Defendant shall produce the contact information and time records for all witnesses who prepared Declarations.
3. In addition to the other time records Ordered to be produced, defendant shall produce time records for a representative sample (5%) of the employees at its entire facility. The parties shall meet and confer regarding how to identify the representative sample.

4. Plaintiff's motion regarding ex-parte contacts and defendant's motion regarding privileged documents shall be filed by July 26, 2013. The parties shall serve a letter with the agreed upon briefing schedule.

5. Plaintiffs' request for the time records of all employees at defendant's facility is DENIED without prejudice to plaintiffs' right to seek the records if certification is granted.

Very truly yours,

s/Joel Schneider
